Summary of Work-Related Injuries and Illnesses

Occupational Safety and Health Administration

All establishments covered by Part 1904 must complete this Summary page, even if no work- related injuries or illnesses occurred during the year. Remember to review the Log to verify that the entries are complete and accurate before completing this summary.

Using the Log, count the individual entries you made for each category. Then write the totals below, making sure you have added the entries from every page of the Log. If you had no cases, write "0."

Employees, former employees, and their representatives have the right to review the OSHA Form 300 in its entirety. They also have limited access to the OSHA Form 301 or its equivalent. See 29 CFR Part 1904.35, in OSHAs recordkeeping rule, for further details on the access provisions for these forms.
